High Weald Hero News

2017/2018 UPDATE

Here's what our HWH schools have been getting up to in the last year...

EXPLORE:

In 2017/2018 we created 4 new Welly Walks for High Weald Hero schools in West Sussex and Kent.

We have also re-routed some existing Welly Walks for some schools to make them more useable - *please let us know if this would help you use your Welly Walk more often.*

TAKE CARE OF:

Well done to **Parkside School** who took part in our Mini Meadows project.

Do you have a project that benefits the High Weald landscape? Contact us for advice on applying for funding from the Sussex Lund grant programme

BE PROUD OF:

Guestling Bradshaw School have used their engagement with the High Weald Heroes programme to help them achieve Heritage School status - an initiative run by Historic England.

Historic
England

FIND OUT ABOUT:

Well done to **Burwash School** who are using the High Weald Heroes programme as a basis for a whole-school High Weald topic this year.

A special mention to **Sandhurst School** for taking part in lots of workshops last year and using their Welly Walk regularly.

ENJOY:

Special congratulations to **Stonegate** and **Punnetts Town Schools** for completing the first High Weald-focused John Muir Awards! We look forward to helping them - and other schools - achieve the award this year.

WOULD YOU LIKE YOUR SCHOOL TO FEATURE HERE?

MAKE SURE YOU KEEP US UP TO DATE WITH ALL YOUR HIGH WEALD HERO ACTIVITIES!
