‘Enjoying your local woodland’

- This is an example of how children in the High Weald AONB and French children from Blangy-sur-ternois Primary School, in Pas de Calais learnt about their local woodlands
- The schools visited a beautiful ‘High Forest’ or ‘Bois de Forest’ in Wail, close to the French school

A warm welcome from the Blangy-sur-ternois Primary School Head and the Mayor

Trying out new French Cuisine!

Finding out about and Exploring at a local woodland

Lamberhurst Primary School children made new friends
and are looking forward to seeing the children from
Blangy-sur-ternois again!
