

# High Weald Hero Activity Card

## Look, remember, find...

**Equipment:** 2 handkerchieves, 10 objects gathered from the area around where you will be playing the game eg. leaves, seeds, rocks, twigs etc.

**Time:** 20 minutes

### Activity description

Place the objects on one handkerchief and cover with the other. Gather the children round the handkerchieves and take off the top one for 25 seconds then replace. Give the children 5 minutes to try and find as many things as they can remember. Bring the group back together and pull out, one at a time, each object from underneath the handkerchief. Say what it is and an interesting fact about it. Ask the children if they have found that object or something similar.
