

If you would like someone to visit your school, the following organizations offer tailored activities and workshops on a variety of environmental themes. Please contact them to discuss your needs and ideas.

Organisation Name	Information	Contact
Buchan Country Park, West Sussex	Provide an outreach service for schools, and can offer wildlife/environmental education advice for schools using their school grounds or local green spaces.	buchan.park@westsussex.gov.uk T: 01293 542088 Buchan Country Park, Horsham Road, Crawley, West Sussex RH11 9HQ
Commonwork	As well as offering visits and workshops at Bore Place, Commonwork's education team is able to work with teachers and youth workers to introduce sustainable and global topics that can then be taken further with school teaching staff. Numerous topics are available including Critical Thinking Skills, Water, Global Food, Climate Change, Sustainable Buildings, Ethical fashion, Citizenship and Renewable Energy. Commonwork are also happy to tailor workshops to suit your needs.	www.commonwork.org T: 01732 463255
ESAMP (East Sussex Archaeology and Museums Partnership)	<p>ESAMP aims to raise awareness of the rich environmental, archaeological and cultural heritage of East Sussex. ESAMP brings archaeological periods to life for children in their own classroom. These day long sessions involve handling, recording and interpreting artefacts, looking at settlements, making copies of pots, weaving cloth etc. Periods from the Mesolithic (early hunter/gathers) through to the Victorian are covered.</p> <p>Advice and support also available to build reconstruction buildings in school grounds.</p>	www.esamp.com T: 01273 486 959

North West Kent Countryside Partnership (NWKCP)	<p>For schools in the Sevenoaks district of the AONB, NWKCP can help support development of school grounds e.g. nature areas and ponds, offer advice for outdoor projects and provide learning resources for a range of activities.</p>	<p>www.nwkcp.org T: 01322 294727</p>
Kent High Weald Partnership (KHWP)	<p>KHWP offer school grounds advice, development and activities. They also provide field trips to local nature reserves Barnett's Wood, Cinderhill & Hilbert's Wood and support the delivery of the wider High Weald Hero e.g. landscape based workshops, assemblies and outdoor learning opportunities for your school.</p> <p>Most activities are based in the High Weald Area of Outstanding Natural Beauty (AONB) within the Tunbridge Wells Borough.</p>	<p>www.khwp.org.uk T: 01580 212 972</p>
Kent Wildlife Trust	<p>Bringing environmental education to your school, Kent Wildlife Trust can offer practical advice and support for developing your school grounds into wildlife-friendly habitats. Education Officers are also available to run Curriculum-based sessions e.g. creative crafts, games, studies and workshops, to help children recognize trees, plants, manifests and topography. Themed assemblies are also available.</p>	<p>www.kentwildlifetrust.org.uk T: 01622 662012</p>
Mid Sussex County Council - Environmental Education for Schools	<p>Schools in Mid Sussex can take advantage of the Greener Spaces, Better Places scheme. The Environmental Education team visit schools (for free!) and deliver sessions on a variety of topics from community safety to recycling and visits to parks and nature reserves. Each</p>	<p>www.midsussex.gov.uk/enveducation T: 01444 477561</p>

	session is packed with information and fun activities delivered by trained and enthusiastic staff. The programme is linked to the National Curriculum.	
Sussex Wildlife Trust	Apart from delivering sessions on Ashdown Forest, members of the Sussex Wildlife Trust are happy to visit schools for school grounds development and wildlife visits.	www.sussexwt.org.uk T: 01273 492630
Young People's Trust for the Environment	FREE conservation, wildlife or environmental interactive talks and sessions available for schools within 60 miles of Education Officers based in Brighton and East Sussex.	www.ypte.org.uk/school-talks T: 01460 271717
